PROFESSIONAL EXPERIENCE

Digital Marketing Executive | Vidyaraj Academy, Kerala, India | Jun 2024 – Jun 2026

Digital Marketing & Web Development

- Built and maintained responsive websites and campaign landing pages to support student admissions and enquiries, designed in Figma and Canva for conversion-focused UX
- Updated and maintained WordPress websites, including page content, layouts and design changes, to keep the online presence current
- Created websites and landing pages using AI tools such as Claude AI and ChatGPT together with React.js and VS Code, speeding up design and development
- Used AI tools such as ChatGPT and Claude to generate content ideas, develop prompts and improve content workflow

Content Creation

- Planned, filmed and edited short-form videos, Instagram Reels and promotional posters for social media using CapCut, DaVinci Resolve and Canva
- Managed Instagram and Facebook content, including publishing on a consistent schedule, and presented on camera to promote the academy and its courses
- Monitored reach, views and engagement using Instagram and Facebook Insights, prepared reports on traffic and leads, and researched content trends to develop creative ideas

PROJECTS

Vidyaraj Academy | Coaching center website, Kanhangad, Kerala | https://vidyarajacademy.com
- Built the website for the coaching center using Perplexity AI, designed to support student admissions and enquiries

ARSportz | Sports shop website, Kanhangad, Kerala | https://www.arsportz.in
- Built the website for a local sports shop using ReactJS, VS Code and Perplexity AI; handled domain registration, DNS configuration and live launch

Skyplanner | Freelance travel agency packages website | https://skyplanner-ten.vercel.app
- Created the website as a freelance project using ReactJS, VS Code and Claude AI; deployed and hosted on Vercel

Google Ads Live Training | GTEC, Kanhangad, Kerala
- Attended live coaching on Google Ads campaigns in a production environment; gained working familiarity with campaign setup and performance monitoring

ZURJ Music | Personal Music Artist & Content Creation Project
- Created and edited video and promotional content, and promoted the ZURJ music artist brand across Instagram and YouTube, publishing music releases to support discovery, reach and engagement
- Reached 160K views in the last 30 days on the ZURJ Instagram account (46 posts, 1,342 followers), per Instagram Insights, Oct 2026
